

American Pigtail Jumper Wire Wholesale Manufacturer

Article Overview

Leading U.S. manufacturers of pigtail jumper wires include Amerifiber, Philatron Wire & Cable, and America Wire Group, offering both standard and custom solutions for industrial and commercial applications.

Key Manufacturers

1. Amerifiber Based in the U.S., Amerifiber specializes in fiber optic products, including custom and stock-built jumpers, patch panels, and enclosures. They provide tailored solutions for telecommunications, data networks, and industrial applications, with options for bulk orders and project-specific customization . 2. Philatron Wire & Cable Philatron is a major U.S. manufacturer offering a wide range of wire and cable products, including bulk jumper wires and custom cable assemblies. They serve industries such as electrical vehicles, aerospace, medical, military, and utility/power sectors. Philatron provides design support for custom cable solutions and large-scale supply . 3. America Wire Group (AWG) Headquartered in Miami, Florida, AWG manufactures and supplies wires, cables, and jumper assemblies for utility, renewable energy, and industrial applications. They offer high-quality products suitable for wind, solar, and electric vehicle infrastructure, with regional distribution centers across the U.S. and customer support for cable management . 4. Other Notable Suppliers

- Casco Manufacturing: Custom jumper cables including multimode, singlemode, and fiber options
