

Asian Intelligent Electronic Patch Panel Brand

Article Overview

Notable Asian brands for intelligent electronic patch panels include Jinhua Guanyang Electronic Technology Co., Ltd. and TC Smart Systems Group, with additional suppliers available on Alibaba and Made-in-China platforms.

Key Asian Manufacturers

1. Jinhua Guanyang Electronic Technology Co., Ltd. (China)

- Recognized globally among top patch panel manufacturers .
- Offers high-density copper and fiber patch panels with intelligent features suitable for enterprise networks and data centers.
- Supports modular designs, smart labeling, and compatibility with PoE+ systems.

2. TC Smart Systems Group (China)

- Specializes in intelligent patch panels with features like 24-port capacity scanners and real-time monitoring .
- Provides multimode OM3 fiber optic patch cords and other smart connectivity solutions.
- Focuses on integrating intelligent management systems for network infrastructure.

3. Alibaba and Made-in-China Suppliers

- Alibaba lists over 50 intelligent patch panel suppliers, including OEM, ODM, and self-patent manufacturers .
- Made-in-China offers a wide range of factory-priced patch panels, including fiber optic and distribution boxes, with customization options for intelligent features
