

Cable tray and partition manufacturer

Article Overview

Leading manufacturers of cable trays and partitions include Schiavetti Tekno (Italy), Armorduct Systems (UK), and Pohlcon and Duelco (Germany), offering both standard and custom solutions for industrial and commercial applications.

Notable Manufacturers

Schiavetti Tekno (Spina Group, Italy) Schiavetti Tekno is a prominent Italian manufacturer specializing in stainless steel, galvanized, and wire cable trays. Their product range includes closed, perforated, ladder, and wire-mesh trays, designed for strength, corrosion resistance, and long-term performance in industrial environments. They also provide custom sizes and compatibility with Unistrut systems, ensuring flexibility for complex installations. Their trays comply with European (EN) and international (UL) standards, and they offer technical design support, testing, and after-sales assistance . **Armorduct Systems Ltd (UK)** Armorduct manufactures a wide range of steel cable management systems, including cable trunking, trays, baskets, floor boxes, and power tracks. They provide both standard and bespoke solutions, all designed and manufactured in-house, making them suitable for projects requiring tailored cable management systems . **German Manufacturers** Germany hosts several leading cable tray manufacturers known for precision engineering and high-quality products. Notable companies include:

- **Pohlcon:** Offers ladder and modular cable trays for industrial and commercial sectors, emphasizing durability and energy-efficient designs .
- **Duelco:** Provides flexible and reliable cable management systems suitable for high-demand environments like manufacturing plants and data centers
