

Cable tray wire manufacturer

Article Overview

Leading cable tray and wire/cable manufacturers include Shilden, Tianhong, ABB, Kable Kontrol, and Hongfeng, offering a wide range of high-quality, durable solutions for industrial, commercial, and data center applications.

Key Manufacturers and Their Offerings

Shilden specializes in durable cable tray systems made from stainless steel, galvanized steel, aluminum, and fiberglass-reinforced plastic (FRP/GRP). They provide ladder trays, perforated trays, wire mesh trays, solid bottom trays, and channel trays suitable for industrial plants, commercial buildings, offshore platforms, and renewable energy projects. Their trays are corrosion- and fire-resistant, with custom solutions and easy installation for efficient cable management. Tianhong Electric Power Technology is a leading Chinese manufacturer with over 20 years of experience. They produce perforated trays, cable ladders, trunking, strut channels, and fittings. Tianhong offers OEM and ODM services, automated production lines for consistent quality, and solutions for power plants, data centers, and commercial buildings. Their products feature powder-coated surfaces for corrosion resistance, enclosed routing for protection, and lightweight designs for easy installation. ABB manufactures cable trays including perforated trays, cable ladders, channel trays, and strut systems from facilities in Canada and Saudi Arabia. ABB trays range from medium to ultra-heavy duty, designed for reliability, adaptability, and easy maintenance. Their open design reduces moisture buildup and protects cable insulation, making them suitable for new projects or refurbishments. Kable Kontrol offers electro-zinc wire basket cable trays with UL certification, designed for offices, data centers, and industrial facilities. Their trays provide proper ventilation, organiz...
