

Comoros Anti-corrosion Cable Tray Prices

Article Overview

Anti-corrosion cable trays in Comoros typically cost between \$10 and \$50 per meter, depending on material, type, and coating.

Price Range and Factors

The cost of cable trays varies based on material, coating, size, and type. For anti-corrosion purposes, common materials include stainless steel, aluminum, and galvanized steel, with coatings such as HDG (hot-dip galvanized) or powder coating to enhance durability in corrosive environments .

- Steel trays: \$10-\$30 per meter
- Aluminum trays: \$20-\$50 per meter
- Custom or coated trays: Prices may be higher due to specialized finishes Cable tray types also affect pricing: ladder trays are more expensive but support heavier cables, while perforated or wire mesh trays are cheaper and suitable for lighter loads .

Local Supplier Options

Comoros has suppliers and exporters offering cable trays at competitive rates. Some reported price ranges for high-voltage or standard trays are \$2.20-\$5.50 per unit, though these may refer to smaller or bulk-packaged items rather than per-meter pricing for anti-corrosion trays .
