

Details of Distribution Box Labels

Article Overview

Distribution box labels are adhesive stickers or pre-printed sheets used to clearly identify circuits and components on electrical distribution boards, ensuring safety, compliance, and easy maintenance.

Types of Distribution Box Labels

- Pre-printed Label Booklets
 - These booklets contain hundreds of pre-cut, high-contrast stickers for residential, commercial, and industrial distribution boards.
 - Example: A 557-piece label booklet covers 23 categories, including standard loads, specialized circuits, and safety-critical components .
 - Labels are designed for fast, accurate application and readability even in low-light conditions.
- Label Sheets
 - Sheets of adhesive labels that can be customized or pre-printed for specific circuits.
 - Available from suppliers like Brite Lighting & Electrical .
- Individual Stickers
 - Single stickers or small sets for labeling specific circuits or components.
 - Sold by retailers such as Cashbuild and Chamberlain .

Key Features and Best Practices

- Adhesive Quality: Ensure labels stick firmly to clean, dry surfaces. Remove dirt, grease, or moisture before application
