

# Direct Sales of Plastic Optical Cables

## Article Overview

Custom Wire Industries, OFS, Fujikura Europe, and Anfkorn Telcom are leading manufacturers offering plastic optical fiber (POF) cables with direct sales options.

### Key Manufacturers and Offerings

Custom Wire Industries specializes in plastic optical fiber cable assemblies for high-speed data transmission and medium bandwidth applications. They provide customized cable assemblies suitable for automotive networks, home networking, industrial communications, and LANs. Their POF cables are designed for short to medium-distance transmission and are available nationwide in the U.S., with direct sales and free quotes available online . OFS is a global provider of optical fiber and cable solutions, including POF. They offer a range of products for telecommunications, data communications, and specialty photonics applications. OFS emphasizes high-quality manufacturing and advanced fiber technologies, making them a reliable source for direct procurement . Fujikura Europe Ltd manufactures plastic optical fibers, including high numerical aperture (NA) bare fibers and hollow multi-core illumination fibers. Their products are RoHS2 and REACH certified and produced in ISO13485 certified factories, suitable for automotive, medical, and industrial applications . Anfkorn Telcom focuses on fiber optic products, including POF with plastic cores and cladding. Their fibers are flexible, cost-effective, and ideal for short-distance connections under 80 meters, commonly used in automotive and medical industries .
