

Distribution Box Manufacturer Wholesale

Article Overview

Leading wholesale distribution box manufacturers include DOHO, CHYT, and verified suppliers from China, India, and Korea, offering both standard and customized solutions.

Key Manufacturers and Suppliers

DOHO Electric is a major manufacturer in China, providing a wide range of distribution boxes for industries such as solar energy, wind energy, data centers, communications, and new energy vehicles. They offer both standard and custom options, with in-house design, production, and testing capabilities. DOHO adheres to international quality standards like ISO 9001, 14001, OHSAS 18001, and certifications including UL, CSA, TUV, and CE. They also provide OEM/ODM services and custom control panels tailored to client specifications. CHYT specializes in distribution boxes and plastic sealed protective boxes, with a focus on small batches, multiple varieties, and on-demand customization. Their factory includes advanced equipment such as aluminum die-casting machines, injection molding machines, CNC punching, bending, and laser cutting tools. CHYT emphasizes precision machining, high-end surface coating, and flexible manufacturing to meet personalized requirements, supporting both wire conduits and thermoplastic sheathed cable systems. Global Sources lists verified wholesale distribution box manufacturers from China, India, Korea, and other countries. These suppliers offer factory prices, a variety of product types, and options for bulk orders. Buyers can source high-quality distribution boxes suitable for industrial, commercial, and residential applications. DirectIndustry provides access to industrial manufacturers offering modular and durable distribution enclosures. Products include plastic and metal housings, DIN rail mounting modules, and IP-rate...
