

Distribution box DXF specification box

Article Overview

Distribution box DXF files and technical specifications are available for various module capacities, materials, and mounting standards, suitable for CAD design and electrical installation planning.

DXF Files Availability

You can access DXF-format files for distribution boxes from online repositories such as 3axis.co, which offers 264 free box DXF files for download or online viewing . These files can be imported into CAD software like AutoCAD, SolidWorks, or Inventor for design, modification, or integration into electrical schematics.

Technical Specifications

Distribution boxes are designed according to low tension directive 2014/35/EU and are available in multiple module capacities: 4, 6, 8, 12, 18, 24, 36, and 54 modules . Key specifications include:

- Materials: ABS or polycarbonate, halogen-free, with UV-protected transparent windows for outdoor use .
- Color: Base and frame typically RAL 7035 grey; transparent window made of PC with UV protection .
- Mounting: TH35x7.5 symmetrical rail for single-row modules; compact frame for multi-row modules .
- Dimensions: Detailed dimensions are provided in technical datasheets, usually in millimeters, with standard cable lengths ranging from 1 m to 10 m
