

# Domestic General Agent for Spectrometers

## Article Overview

Domestic spectrometer distribution is typically handled by authorized representatives or local offices of major manufacturers and specialized suppliers.

### Key Suppliers and Agents

- Spectral Service AG Spectral Service AG offers tailored analytical solutions for pharmaceuticals, food, cosmetics, chemicals, and environmental testing. They operate globally, including a wholly owned subsidiary in the United States, providing both sales and technical support for spectroscopic instruments such as NMR and other analytical devices .
- SPECTRO Analytical Instruments SPECTRO maintains a worldwide network of local offices and authorized distributors. Users can locate the nearest domestic agent through their global directory, ensuring access to sales, service, and technical support for optical and elemental spectrometers .
- SI Scientific Instruments GmbH SI Scientific Instruments is an official representative for multiple manufacturers, supplying modern measurement and research instruments, including spectrometers. They provide installation, upgrades, and full support for laboratory instruments, making them a reliable domestic agent for various spectrometer brands .
- Other Notable Suppliers
- Bruker Optics: Offers FTIR, NIR, and Raman spectrometers with global distribution.
- Edinburgh Instruments: Specializes in high-performance spectroscopic instrumentation.
- HORIBA Scientific: Provides Raman, elemental analysis, and OEM spectroscopy sol...
