

Double-groove cable tray manufacturers

Article Overview

Leading manufacturers of cable trays, including double-groove types, include Spina Group, Atkore, Øglænd System, and Eurostrut, all offering customizable industrial cable management solutions.

Key Manufacturers

Spina Group (Schiavetti Tekno) An Italian manufacturer specializing in industrial cable trays and accessories, Spina Group offers stainless steel, galvanized, and wire cable trays in various types such as closed, perforated, ladder, and wire-mesh. Their systems are designed for strength, corrosion resistance, and long-term performance, with custom sizes and compatibility with Unistrut systems. They provide technical support, testing, and compliance with European (EN) and international (UL) standards, making them suitable for demanding industrial environments . Atkore International Based in the USA, Atkore manufactures ladder, ventilated, and solid-bottom cable trays. Their prefabricated steel structures are designed for quick installation and flexibility in routing cables. Atkore also offers wire mesh trays, fittings, and accessories for complex configurations, making them a versatile choice for industrial, commercial, and data center applications . Øglænd System This manufacturer provides a wide range of cable trays in stainless steel, galvanized steel, aluminum, and fiberglass composites. Øglænd trays are available in different heights and widths, with slot patterns for easy cable positioning and secure fixing. They also offer specialized accessories and fittings for compact and stable installations, suitable for both offshore and onshore projects . Eurostrut Eurostrut supplies industrial and marine cable trays, including distribution trays and NATO-type models. They provide customizable solutions for complex installations and allow direct quotes through the...
