

Electrical Distribution Box Manufacturer in Dominican Republic

Article Overview

Several established companies in the Dominican Republic manufacture and supply electrical distribution boxes and enclosures, offering both standard and custom solutions.

Key Manufacturers and Suppliers

Grupo Elias has been active in the Dominican market since 1967, providing solutions for the electrical and lighting sectors, including industrial projects and electrical distribution systems . JJ Electric S.A. specializes in the distribution of electrical products across the country, offering a wide range of electrical materials, including control panels and distribution boxes, with fast delivery and technical support for industrial, commercial, and residential projects . Electrocontrol is a long-standing company established in 1986, focusing on the import, distribution, and sale of electrical materials. They provide solutions for control, automation, and energy distribution, including electrical enclosures and panels with corrosion-resistant finishes . Sheet Metal Factory offers specialized services in electrical enclosure manufacturing, with over 22 years of experience. They provide custom design, fabrication, and processing of electrical cabinets and boxes, serving as a one-stop solution for electrical enclosure needs . Compañía Dominicana de Montaje, S.A. (CODEMON) and other electromechanical firms provide design, installation, and manufacturing of electrical distribution systems, including low and medium voltage panels, substations, and industrial control systems
