

Ethiopia Spot Micro Module IP68

Overview

Precision machined in 316 stainless steel or from copper the luminaire achieves IP68 water ingress rating for peace of mind. The Cree 1 watt max LED can be easily replaced if required or substituted for a colour LED. The LuxR Micro Spot is a miniature low-voltage dimmable outdoor spot light, with a 150mm spike for installing into soil. Ideal for illuminating small trees. Steel screws treated with an advanced anticorrosive coating. Toughened transparent glass 4mm thick for MICROPOOL SPOT, 8mm MINIPOOL SPOT and POOL SPOT. LOR. LEDCON Manufacturing is an Ethiopian privately owned company specializing in the production and sale of high-quality LED lighting fixtures. Established in 2019, we have quickly become one of the leading manufacturers of LED lighting in Ethiopia, thanks to our commitment to providing innovative. Whether your luminaire is designed for indoor, outdoor or industrial use, this will help you focus on the most suitable LED module options. The right LED module depends on: Start with the intended application, then refine your choice based on module type, luminaire design and compatibility. No reviews yet

Certificates:UL.
