

Export-oriented mesh cable tray processing manufacturer

Article Overview

Leading export-oriented mesh cable tray manufacturers include VALDINOX (Europe), Patil More Exports (India), and ELCON Global (India), offering customizable, certified, and high-capacity solutions for international clients.

VALDINOX – Europe

VALDINOX specializes in wire mesh cable trays, supports, and accessories, with one of the largest production capacities in Europe. Their EASYCONNECT® system reduces installation time and costs by integrating a proprietary fixing system, leveraging the elastic properties of steel for enhanced strength, safety, and longevity. VALDINOX emphasizes custom-made solutions, ensuring compliance with project-specific requirements, and maintains a strong focus on quality, innovation, and customer-oriented service .

Patil More Exports – India

Patil More Exports provides customizable wire mesh cable trays for industrial clients seeking bulk quantities for export. They offer a wide range of sizes (widths 50-600mm, heights 50-100mm, lengths 1-2.5m) and materials including stainless steel (SS202, SS304, SS316) and galvanized finishes. Their trays meet IEC 61537 international standards and come with full test certification. The company also supplies supports, bends, and connectors for flexible and fast installation, catering to large-scale warehouse, factory, and infrastructure projects
