

France to fiber optic cable

Article Overview

France offers a wide range of fiber optic cables and services through leading manufacturers and telecom operators, supporting both domestic and international high-speed connectivity.

Leading Manufacturers and Suppliers

France hosts several prominent fiber optic cable manufacturers and suppliers:

- ACOME Group: Produces up to 10 million kilometers of optical fiber, supplying telecom networks, FTTH, and mobile coverage solutions. Their subsidiary, Idea Optical, specializes in fiber management and connection systems, supporting both domestic and international markets .
- Prysmian Group and Nexans: European leaders with operations in France, offering high-quality fiber optic cables, including submarine and CPR-compliant cables for fire safety .
- Centre Fibre Optique: Focuses on FTTH deployment in the Centre Val-de-Loire region, providing professional and residential fiber solutions .
- Point Fibre Optique: Offers a wide range of fiber optic cables and components, with rapid delivery and support for subscriber installations .
- LUXERI and IDIL Fibres Optiques: Specialize in custom fiber optic solutions, optical guides, and laser technologies for industrial and specialized applications .
- A&G Technologies: Supplies fiber and copper network cables, along with tools and accessories for installation and maintenance .
