

Good quality galvanized cable tray manufacturers and prices

Article Overview

Top manufacturers of galvanized cable trays include Eaton, Schneider Electric, Legrand, Atkore (Cope), and Marco, with pricing generally reflecting product quality, durability, and market reach.

Top Manufacturers and Price Considerations

- Eaton Corporation – Eaton is a global leader in power management and offers high-quality galvanized cable trays for industrial and commercial applications. Their products are typically premium-priced due to advanced engineering, durability, and global support networks ().
- Schneider Electric – Known for robust solutions in challenging industrial environments, Schneider Electric's galvanized trays are mid-to-high range in price, reflecting their reliability in oil, gas, and chemical facilities ().
- Legrand Group – Legrand provides aesthetically appealing and durable cable trays suitable for modern infrastructure. Pricing is moderate to high, balancing quality and design features ().
- Atkore International (Cope Cable Tray) – Atkore's Cope brand focuses on highly durable trays for petrochemical and power generation sectors. Their pricing is competitive for heavy-duty applications, often slightly lower than Eaton and Schneider for similar specifications ().
- Marco Cable Tray Systems – Marco offers versatile and adaptable galvanized trays, often cost-effective for complex installations, making them attractive for projects requiring flexibility and minimal on-site modifications ().
- Niedax Group, OBO Bettermann, PUK Group, Ogleand (Hilti), Unitech (IKK), HUAPE...
