

Huijue Fiber Optic Cable Manufacturing

Article Overview

Huijue Fiber Optic Cable Factory is a well-established Chinese manufacturer with extensive production facilities, R&D capabilities, and a strong presence in the telecom and communication industry.

Company Background

Huijue, officially known as Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network), was established in 2001 and has grown into a leading manufacturer and solution provider for telecom and communication products . The company focuses on fiber optic cables, telecom cabinets, and related network equipment, serving both domestic and international markets.

Facilities and Production Capacity

The company's headquarters in Shanghai houses its R&D center, technical center, prototype department, and sales operations, covering over 10,000 square meters . In addition, Huijue operates a mass production factory of 50,000 square meters in Jiangsu province, dedicated to metal precision production, assembly of cabinets, and optical fiber products . The factory is equipped with industry-leading automatic and semi-automatic production and testing equipment, ensuring high efficiency, stability, and consistent product quality .

Products and Technology

Huijue specializes in fiber optic connectors, PLC splitters, optical fiber patch cords, a...
