

Huijue Fiber Optic Cables and Routers

Article Overview

Huijue offers a wide range of fiber optic cables, routers, and network solutions with global distribution and customizable options.

Company Overview

Huijue Network Communication Equipment Co., Ltd., founded in 2001-2002 and headquartered in Shanghai, China, is a leading manufacturer and solution provider for telecom and communication products . The company operates a large production base in Jiangsu Province, covering over 35,000 square meters, with multiple assembly workshops for fiber optic cables, patch cords, and network cabinets . Huijue serves telecom operators, data centers, power, and new energy industries worldwide, including the USA, Europe, Middle East, Southeast Asia, and Australia .

Fiber Optic Products

Huijue manufactures a comprehensive range of fiber optic components and cables, including:

- FTTX solutions for fiber-to-the-home and fiber-to-the-building networks
 - Optical fiber patch cords (SC/APC, G657A, 3-meter standard lengths) for high-speed connectivity
 - Optical splitters, adapters, couplers, and transceivers for network integration
 - Fiber optic distribution frames and joint closures for structured cabling
- The company provides customized solutions, small or bulk orders, and OEM/ODM services, allowing clients to tailor products to specific network requirements
