

Huijue Fiber Optic Switch Authorization and Certification

Article Overview

Huijue Fiber Optic Switches are certified under the Shanghai Brand and comply with international CB Scheme standards, reflecting high product quality and global market readiness.

Shanghai Brand Certification

Huijue Network, the manufacturer of Huijue Fiber Optic Switches, has been awarded the “Shanghai Brand” certification, which recognizes enterprises for brand leadership, independent innovation, excellent quality, meticulous management, and social responsibility. This certification highlights Huijue's strong position in communication technology and its commitment to high-quality product standards and technological innovation .

CB Scheme Certification

Huijue also participates in the CB Scheme, an international framework for mutual recognition of product safety testing. This certification ensures that Huijue Fiber Optic Switches meet IEC 62368-1 standards for AV and ICT equipment, facilitating faster market entry in multiple countries by reducing duplicate testing requirements . The CB Scheme is particularly valuable for global exports, as it allows compliance with multiple regional safety standards efficiently.
