

Ladder-type European-style cable tray manufacturers

Article Overview

Leading European manufacturers of ladder cable trays include DKC Europe, Niedax Group, Spina Group, Ebo Systems, Eurotray, Trayco, and Eaton.

Key Manufacturers and Their Specializations

DKC Europe is a European leader offering a wide range of cable tray systems, including ladder trays, for civil and industrial infrastructures, with solutions for energy protection, transport, and distribution . Niedax Group (Germany) provides over 50,000 products, including ladder and perforated trays, GRP cable trays for high corrosion resistance, and wire mesh trays. Their products are designed for industrial, commercial, and infrastructure projects, adhering to European safety standards . Spina Group (Italy) specializes in standard and custom cable tray systems, including ladder trays and perforated trays. Their products comply with UNI EN 61537 and NEMA VE1 standards, suitable for shipbuilding, industrial plants, and infrastructure projects . Ebo Systems focuses on GRP cable trays with high corrosion resistance, thermal stability, and mechanical strength, ideal for energy, water treatment, chemical, and heavy industries . Eurotray offers durable and adaptable ladder trays, wire mesh trays, and support systems for large-scale installations, with solutions for high cable loads and industrial hygiene requirements . Trayco (Belgium) produces and optimizes ladder trays, mesh trays, and mounting systems, providing tailored solutions and installation guidance for commercial and industrial projects . Eaton provides a wide range of metallic and non-metallic ladder cable trays, including fiberglass options, with extensive CAD/BIM support for design and engineering prof...
