

Libyan Explosion-proof Box and Distribution Box Manufacturer

Article Overview

Several companies supply explosion-proof and distribution boxes in Libya, offering certified, customizable solutions for industrial and hazardous environments.

Key Manufacturers and Suppliers

- Ofoq Nama Oil Services Ofoq Nama is an authorized distributor for the Crosby Group in Libya, providing high-quality industrial equipment including explosion-proof control systems. They specialize in products for oil and gas operations, offering equipment that meets API and ASME standards, such as BOP accumulator units and high-pressure test units .
- CZ Electric Co., Ltd CZ Electric, headquartered in Jiaxing, China, supplies CZ1290 explosion-proof distribution boxes. Their products are widely used in petrochemical, medical, food processing, aerospace, and military applications. CZ Electric offers modular designs, easy operation panels, and internal wiring completed for quick installation. Their products are exported to the Middle East, including Libya, and comply with international safety standards .
- HEXLON HEXLON provides a broad range of explosion-proof electrical equipment, including distribution boxes, control boxes, and signal devices. Their products are ATEX and IECEx certified, ensuring safety in hazardous areas. HEXLON also offers OEM and ODM services, allowing customization to meet specific industrial requirements in sectors like oil, gas, chemical, and pharmaceuticals .
- Tengda Explosion-proof Technology Co., Ltd Tengda specializes in the design and manufacture of explosion-proof electrical products, including distribution boxes, junction boxes, control boxes, and lamps. They offer a wide variety of models and s...
