

List of Southeast Asian Electrical Distribution Box Manufacturers

Article Overview

Key manufacturers in Southeast Asia include Asiatic Group, SKKBO, and ZCEBOX, offering certified, customizable distribution boxes for residential, commercial, and industrial applications.

Leading Manufacturers

1. Asiatic Group Based in Singapore, Asiatic Group specializes in enclosures and distribution boxes designed for harsh environmental conditions. Their products, including thermoplastic polystyrene and polycarbonate distribution boards, offer IP65 to IP67 protection against dust and water, UV resistance, and flame-retardant properties. They are suitable for both national and international applications, ensuring safe and reliable low-voltage energy distribution in residential and commercial settings . 2. SKKBO SKKBO is a versatile manufacturer with over 20 years of experience, serving Southeast Asia and other global markets. They provide customized electrical box solutions, including indoor distribution boxes for offices, shopping centers, and residential projects. SKKBO products are certified with UL, CE, IP, IK, and CCC standards, and the company offers full OEM/ODM services, ensuring tailored solutions for specific client requirements . 3. ZCEBOX ZCEBOX, headquartered in China but with a strong presence in Southeast Asia, produces low-voltage electrical products such as distribution boxes, junction boxes, MCBs, and consumer units. Their manufacturing complies with ISO9001, CE, ROHS, and IK standards. ZCEBOX provides professional OEM and ODM services, enabling large-volume production at competitive prices while meeting local market needs
