

Manufacturer of Multi-hole Cable Trays

Article Overview

Power Cable Tray and MP Husky are leading manufacturers of multi-hole tray-type cable trays, offering customizable, high-strength, and ventilated solutions for industrial and data center applications.

Key Manufacturers

1. Power Cable Tray (Shandong, China) Power Cable Tray specializes in molded multi-hole cable ladders and wire mesh trays. Their products combine traditional ladder rungs with perforated panels, providing over 70% open area for ventilation, excellent drainage, and dust resistance, making them suitable for data centers, telecom rooms, mining, and outdoor industrial sites. They use Q235 steel with automated welding, ensuring high load capacity and compliance with IEC 61537 standards. Standard sizes are available for 5-day delivery, and custom hole patterns, sizes, and finishes (galvanized, powder-coated, stainless steel) are offered . 2. MP Husky (USA & Canada) MP Husky manufactures UL CSA NEMA-compliant cable trays, including wire mesh, basket, and multi-hole ladder trays. They provide solutions in aluminum, stainless steel, and galvanized steel, suitable for heavy-duty industrial, commercial, and nuclear applications. MP Husky emphasizes high structural integrity, ease of installation, and long-term reliability, with extensive experience in North American markets . 3. Øglænd System (Norway) Øglænd System offers a wide range of cable trays and ladder systems with slot and perforated patterns for optimal cable positioning and airflow. Their products are available in stainless steel, galvanized steel, aluminum, and FRP composites, suitable for offshore, onshore, and industrial projects. They also provide a comprehensive range of brackets and fittings for flexible installation
