

Nordic Fireproof Cable Tray Supplier

Article Overview

Nordic Wire Tray is a leading Nordic supplier offering high-quality, customizable cable trays suitable for fire-resistant applications.

Nordic Wire Tray

Nordic Wire Tray provides a range of cable trays under the X-Tray brand, designed for industrial and infrastructure projects. Their trays are made from high-quality materials that can withstand harsh conditions and are suitable for applications requiring fire resistance and safety compliance. The X-Tray system includes ladder, perforated, and wire mesh trays, all customizable to meet specific project requirements. The trays are designed for fast installation, high load capacity, and long lifespan, reducing maintenance needs and ensuring safety in demanding environments .

Key Features:

- Compliance with IEC 61537 standards for cable tray systems .
- Customizable designs for fireproof and high-load applications.
- Long bracket distances for easier assembly and cost efficiency.
- Available in multiple materials and surface treatments for durability and fire resistance.
- Accessories include brackets, mounting tools, and hygienic mounting options.
