

Omani fiber optic cable manufacturer

Article Overview

Oman Fiber Optic, Oman Cables Industry, National Cable Factory LLC, GITACS LLC, and Modern Peace Company are key fiber optic cable manufacturers in Oman.

Key Manufacturers

Oman Fiber Optic (OFO) is an Omani company specializing in the manufacturing and supply of fiber optic cables. They provide turnkey solutions for FTTx, backbone, and access fiber networks, including survey, design, installation, and maintenance services. OFO also offers structural cabling and IT passive infrastructure solutions, serving both Oman and Qatar markets . Oman Cables Industry (SAOG) produces a wide range of electrical and fiber optic cables. They are recognized for high-quality cable solutions and have expertise in both manufacturing and installation of tailored fiber optic systems . National Cable Factory LLC focuses on producing various types of cables, including fiber optic cables, with an emphasis on quality and sustainability. They are expanding into medium and high voltage cabling while maintaining fiber optic production capabilities . GITACS LLC specializes in the installation and integration of fiber optic cabling and network solutions. They are involved in turnkey projects, including backbone fiber optic networks in collaboration with Omantel and Oman Broadband . Modern Peace Company is a full-line distributor and custom manufacturer of fiber optic products, including patch cords, connectors, and test equipment. They also provide training and support for technicians entering the fiber optic industry .
