

Price of Cable Tray Hole Opener

Article Overview

Cable tray hole openers typically range from \$100 to \$1,200 depending on type, power source, and features.

Price Overview

- Electric Hydraulic Hole Openers
 - On eBay, electric hydraulic cable tray hole cutters are listed with features like multiple hole sizes (16–32 mm) and throat depths of 150 mm. Prices for these professional-grade tools generally start around \$500 and can go higher depending on specifications .
- Portable Cordless Electric Models
 - Rechargeable hydraulic cable tray hole openers, suitable for both professional and DIY use, are available on platforms like Taobao. These tools are lightweight, battery-powered, and can handle iron plates and stainless steel. Prices for these portable models typically range from \$300 to \$800 .
- Manual or PVC-Specific Cutters
 - Tools designed for PVC open-type cable trays, such as the Helivivfy cutter on Amazon, are hand-powered and cost significantly less, usually around \$100–\$150. These are suitable for lighter-duty applications and specific materials .
- High-Capacity Hydraulic Punch Tools
 - Industrial-grade hydraulic hole openers, like the Syd-32bf model from Made-in-China, are designed for heavy-duty operations with larger throat depths and high punching capacity. Prices for these tools can range from \$800 to \$1,200 or more, d...
