

Price of Swiss Original Industrial Switches

Article Overview

Swiss industrial switches can cost as low as \$0.81 per piece for bulk orders of 1,000+ units, with prices varying based on type, specifications, and supplier.

Swiss industrial switches are available in various types, including hand switches, limit switches, and process switches, each designed for specific industrial applications . Standard commercial installations typically require switches rated for 10A-16A current and 250V AC, with IP20+ ingress protection. Compliance with SEV, CE, and RoHS directives is essential for Swiss market access .

Pricing Overview

- Bulk procurement: Taili Industrial offers switches at \$0.81 per piece for orders of 1,000+ units, suitable for high-volume industrial projects .
- Premium or smart building switches: Brands like Orbita provide industrial-grade switches with communication protocols for smart systems, priced higher due to advanced features .
- Specialized switches: Stainless steel or corrosion-resistant switches from suppliers like Shanghai Bihu are designed for critical applications and carry premium pricing .
