

Price of off-white cable tray cover plate

Article Overview

The price of an off-white cable tray cover plate typically ranges from £5 to £25 per piece, depending on size, material, and supplier.

Cable tray cover plates are used to protect and organize cables in solid-bottom, ventilated, or ladder-type trays, and they come in various lengths and materials such as steel, aluminum, or plastic . Off-white is a common color for aesthetic and visibility purposes in commercial and industrial installations.

Where to Buy

- RS Components offers a wide range of cable tray accessories, including cover plates, from brands like Legrand and Schneider Electric. Prices vary by size and duty rating (light, medium, heavy) and can be checked directly on their website .
- Amazon UK and Amazon US list off-white outlet and cable covers, which may include compatible cable tray cover plates. Prices on Amazon typically start around £5-£10 for smaller plastic covers and can go up to £20-£25 for larger or metal versions .
- Platt Electric Supply provides straight cable tray covers with snap-on or hinged features for easy access, though pricing is usually listed per module and may require contacting the supplier for exact quotes .

Factors Affecting Price

- Material: Steel or aluminum covers are more expensive than plastic.
- Length and Width: Longer or wider covers cost more....
