

Seeking to purchase indoor fiber optic cable equipment

Article Overview

Indoor fiber optic cable equipment can be sourced from specialized distributors offering cables, connectors, patch panels, and installation tools, with options for singlemode or multimode fibers and plenum, riser, or LSZH fire ratings.

Key Suppliers and Distributors

- FiberOptic Supply: Offers a wide range of indoor fiber optic cables, fusion splicers, patch cables, and tools. Products include tight-buffered and breakout cables suitable for office and data center installations, with options for singlemode and multimode fibers .
- trueCABLE: Provides high-quality indoor fiber optic cables, patch cables, pigtails, and tools, all performance-tested and compliant with ANSI/TIA standards. They offer UL-listed products with a Forever Warranty .
- Fiber Instrument Sales (FIS): Stocks over \$10 million in fiber optic equipment, including assemblies, test equipment, splicing tools, and enclosures, with fast shipping and expert support .
- Fosco Connect: Distributor of indoor fiber optic cables, patch cables, connectors, and installation tools, including bulk and pre-terminated fiber options .
- Electrorent: Offers new, used, and rental options for network and fiber installation equipment, including fusion splicers, OTDRs, power meters, and optical spectrum analyzers .
- LabX.com: Marketplace for new and used fiber optic equipment, including light sources, illuminators, and polisher tools, providing cost-effective alternatives for lab...
