

Singapore Industrial Power Distribution Box Supplier

Article Overview

Actenn, Asiatic Group, The Enclosure People, and AE Hub are leading manufacturers and suppliers of industrial power distribution boxes in Singapore.

Key Manufacturers and Suppliers

1. Actenn Actenn specializes in custom-built electrical box assemblies and control boxes for industrial, commercial, and residential applications. Their products include enclosures for circuit breakers, relays, wiring, power supplies, sensors, and PLCs. Actenn emphasizes safety, durability, and compliance with international standards, offering tailored solutions for sectors such as automation, energy, telecommunications, and medical equipment. Their assemblies are made from high-quality materials like stainless steel, aluminum, and corrosion-resistant plastics, ensuring long-term reliability and efficient power distribution . 2. Asiatic Group Asiatic Group distributes HENSEL enclosures and distribution boxes, designed for harsh environments with dust and humidity. Their products are made from thermoplastic polystyrene and polycarbonate, offering IP65 to IP67 protection, UV resistance, and flame retardancy. These boxes are suitable for low-voltage power distribution and provide double insulation and modern terminal technology for safe and efficient installation . 3. The Enclosure People Pte Ltd This company provides a one-stop solution for electrical and instrumentation enclosures, including hazardous area products. They partner with manufacturers from Singapore, Europe, and Asia to supply enclosures for oil & gas, petrochemical, pharmaceutical, semiconductor, industrial, and infrastructure sectors. Their offerings include design, drawing, wiring...
