

What are some fiber optic connector manufacturers in Estonia

Article Overview

Hexatronic Tallinn and Estonian Fiber are leading Estonian companies specializing in fiber optic connectors and network solutions.

Hexatronic Tallinn

Hexatronic's Tallinn facility is the largest fiber optic termination site in the Baltic and Scandinavia, operational since 2002 . The 700 m² production site operates two shifts to meet high customer demand, producing fiber optic connectors, cable assemblies, and related components. Hexatronic Tallinn serves mobile network operators, telecom network owners, installers, military, and power sectors across Estonia, Latvia, Lithuania, and Scandinavia. The facility is ISO 9001, 14001, and 45001 certified, ensuring high-quality production standards . Products are shipped across Europe from the on-site warehouse.

Estonian Fiber

Estonian Fiber focuses on fully digitized network planning and fiber optic deployment, particularly for residential and commercial customers . The company emphasizes advanced digital solutions for network design and installation, positioning itself as a modern, technology-driven provider. While primarily active in Germany, it maintains a strong Estonian presence and offers services including GIS-based network planning and fiber optic network deployment....
