

What is Huijue Fiber Optic Special Cable

Article Overview

Huijue Fiber Optic Special Cable is a high-performance optical cable designed for industrial, telecom, and data communication applications, manufactured by Shanghai Huijue Network Communication Equipment Co., Ltd.

Overview

Huijue Fiber Optic Special Cable is produced by Shanghai Huijue Network Communication Equipment, a company established in 2002 in Shanghai, China, with a production base in Jiangsu Province . The company specializes in fiber optic components, FTTX solutions, outdoor and indoor optical cables, and data center equipment . Their products are widely used in telecom networks, data centers, power systems, and industrial automation, and are exported globally to regions including Europe, North America, Southeast Asia, and Australia .

Features

Huijue Fiber Optic Special Cables are designed for high reliability and durability in demanding environments. Key characteristics include:

- High mechanical resistance: Able to withstand abrasion, crushing, and dragging, making them suitable for industrial and outdoor applications .
- Material options: Insulation and jackets can include PVC, PE, PP, TPE, XLPE, LSZH, ETFE, Silicone, FEP, PFA, depending on the application .
- Shielding and protection: Options include metal braids, tape shields, textile braids, and double shielding to reduce signal interference
