

Where is the Kenya well logging fiber optic cable factory

Overview

"We have embarked on local manufacture of fiber optic cables. We now have the first and only fiber optic cables manufacturing firm in Kenya," Owalo said after touring the firm producing the cables, about 30 km south of Nairobi, Kenya's capital. The initiative aims to bolster internet connectivity nationwide, fostering greater access to digital opportunities for its citizens. With massive investments in 5G, data. As the Connected Africa Summit 2026 officially commenced in Nairobi, African Ministers and Principal Secretaries undertook a site visit to Nia Fiber, Kenya's first and only fiber optic cable manufacturing facility located in Athi River, Machakos County. The delegation was given an in-depth tour of. KPC Foundation was established in 2016 and in 2023 it was registered as a Charitable Trust.
