

Where to buy explosion-proof electrical distribution boxes in Europe

Article Overview

Several European companies supply ATEX and IECEx certified explosion-proof electrical distribution boxes suitable for hazardous areas.

Key Suppliers

1. Atex Delvalle (Spain) Atex Delvalle offers a wide range of stainless steel (AISI 304L & 316L), GRP polyester, and custom-made Ex junction boxes and enclosures. Their products are certified for ATEX 2014/34/UE and IECEx, suitable for Zone 1, 2 (gas) and Zone 21, 22 (dust) environments. They provide ready-to-ship terminal boxes and large enclosures, including wall-mounted and stand-alone models, with IP66 protection and customizable dimensions for hazardous areas . 2. Extol International (Europe-wide) Extol International supplies explosion-proof control panels and distribution boards with Ex d / Ex'de flameproof protection. Their enclosures are available in stainless steel, aluminium, and cast iron, certified for ATEX Zone 1 (21) & Zone 2 (22). They offer a variety of sizes and IP ratings from IP42 (indoor) to IP66 (outdoor), suitable for industrial and hazardous applications . 3. ROSE Systemtechnik GmbH (Germany) ROSE provides aluminium, polyester, and stainless-steel Ex enclosures and control stations. Their products are customizable to accommodate different equipment volumes and are certified for use in explosion-endangered zones with combustible gases or dust. ROSE also offers compatible cable glands and control stations for complete hazardous area installations . 4. Ex-tech Solution (France) Ex-tech manufactures ATEX and IECEx certified enclosures, control cabinets, and junction boxes. Their products are designed for tough hazardous area operations an...
