

Where to find good network cabinets in the Bahamas

Article Overview

You can find high-quality network cabinets in the Bahamas through Desertcart Bahamas, Conet Bahamas, and local retailers like Cabinet World and CBS Bahamas.

Online and International Options

- Desertcart Bahamas offers a variety of network and server rack cabinets, including 6U wall-mounted and 42U freestanding models. These come with features like locking tempered glass doors, integrated cooling fans, PDU units, and cable management accessories. Desertcart handles shipping, customs, and delivery to the Bahamas, making it convenient for home labs or small business setups .

Local Suppliers

- Conet Bahamas is a major wholesale and retail distributor of home improvement and IT products. They have locations in Nassau, Freeport, and Marsh Harbour, and offer cabinets suitable for network and AV setups. Conet provides both retail and bulk purchasing options, along with customer support for installation and design .
- Cabinet World Bahamas specializes in custom household and utility cabinets. Located on Blue Hill Road South in Nassau, they offer personalized in-house design services and a variety of cabinet sizes and finishes, which can be adapted for network or server equipment .
- CBS Bahamas provides a wide range of home improvement products, including storage and utility cabinets that can be repurposed for network equipment. They off...
