

Which companies manufacture fiber optic cable trays in Egypt

Article Overview

Top manufacturers of fiber optic cable trays in Egypt include Metaltech, NTT Al-Tawakol, Metal Egypt, Rovana Trade, and PI Manufacturing Solutions.

Leading Companies

Metaltech is a prominent manufacturer of cable trays and management systems in Egypt, offering a wide range of products including perforated trays, ladder trays, and solid bottom trays suitable for fiber optic installations. Their products are designed for both industrial and commercial applications, meeting international standards for durability and safety . NTT Al-Tawakol specializes in customizable cable trays made from high-quality materials such as galvanized steel, providing excellent corrosion resistance. They cater to industries including telecommunications, construction, and manufacturing, making them suitable for fiber optic cable projects . Metal Egypt produces heavy-duty cable trays, ladders, and raceways designed to handle large-scale industrial projects. Their solutions ensure organized and safe routing of fiber optic and other electrical cables . Rovana Trade focuses on high-quality cable trays and ladders, offering hot-dip galvanized and electrostatic painted solutions. They provide customized designs for industrial and electrical projects across Egypt and the Middle East, adhering to ISO 9001 standards . PI Manufacturing Solutions, established in 2023, manufactures a variety of cable management systems including trays, trunks, and ladders. They offer custom designs and high-quality finishes suitable for harsh environmental conditions, making them ideal for fiber optic cable installations
