

Which company in Benin makes the best galvanized cable trays

Article Overview

Ned-Tech is the leading supplier of galvanized cable trays in Benin, offering durable, corrosion-resistant products that meet international standards.

Local Supplier: Ned-Tech

Ned-Tech is a prominent cable tray supplier in Benin, serving cities such as Cotonou, Porto-Novo, Parakou, Abomey-Calavi, and Bohicon . Their galvanized cable trays are designed to withstand Benin's humid coastal climate and inland heat, making them highly durable for both industrial and commercial projects. Ned-Tech offers a comprehensive product range, including ladder trays, perforated trays, trunking systems, and wire mesh trays, all made from galvanized steel, stainless steel, or aluminum . They also provide technical support, guidance on sizing and installation, and on-time delivery across the country.

International Manufacturers

For projects requiring globally recognized quality, several international companies are known for producing high-quality galvanized cable trays:

- Eaton Corporation: Offers robust galvanized cable tray systems widely used in industrial, commercial, and utility projects .
- Schneider Electric: Provides durable solutions for challenging industrial environments, including oil, gas, and chemical facilities
