

Which outdoor electrical distribution box is the best in the EU

Overview

When safeguarding outdoor electrical connections, a waterproof IP65 junction box offers a perfect balance of protection, durability, and cost-effectiveness. Outdoor cabinets from Greiner Schaltanlagen are robust housing solutions for the safe storage of electrical components outdoors. They reliably protect sensitive technology from weather, dirt and unauthorized access – from power distributions and control units to communication and charging. The top distribution box manufacturers in 2025 are SENTOP, Schneider Electric, Rockwell Automation, Hammond Manufacturing, Laiwo Electrical, J&HW Group, Siemens, ABB, Eaton, Legrand, and General Electric. Surface enclosures with a capacity of 4, 6, 8, 12, 18, 24, 36 and 54 modules with transparent window. Halogen-free plastic materials. Base and frame: ABS RAL 7035 grey. Transparent window: PC tinted window, with UV protection.
